

Incontinence

Disposable Chair/Bed Pads

Disposable Bed Pads are disposable incontinence pads for men and women, designed to offer a hygienic and comfortable solution to protect beds and chairs. Available in 3 sizes and absorbency rates. Absorbency for incontinence is given a SAP (Super Absorbent Polymers) rating; the higher the number the greater level of absorbency.

- * Hygienic protection for beds and chair
- * Soft facing for improved comfort
- * Waterproof backing for protection

Specifications

SAP3
