

Daily Living Aids

Home

The cleverly-designed Garden Kneeler is a sturdy, multi-use gardening aid that folds neatly for storage. The Garden Kneeler features 22 mm thick foam padding providing comfort when used as a seat or kneeler, durable powder coated, sturdy welded steel frame. When inverted and used as a garden kneeler, the legs of the bench act as handles to assist you in getting up and down, for improved stability.

Garden Kneeler/Bench VL130
